

BWC Update

News from the Ohio Bureau of Workers' Compensation

Reminder: Payment addresses have changed

The Ohio Bureau of Workers' Compensation will send payroll reports to employers starting Dec. 31, and would like to remind you of their recent address change.

Please use the following address when submitting payments to BWC via mail: Ohio Bureau of Workers' Compensation, P.O. Box 89492, Cleveland, OH 44101-6492.

Express and overnight payments may be mailed to: Attn: Lockbox 89492, 5575 Venture Drive, Unit A, Parma, OH 44130.

Return envelopes that will be sent with invoices and payroll reports will include the new address. As long as employers use the envelopes BWC sends out, they will not need to take any additional action. If they do not use the envelopes provided, they need to update the address.
